

Registration:

Registration is required for all participants. Please complete and return the Registration Form to the Secretariat. The deadline for early registration is 31st August 2005.

Registration fee:

Full Registration: 100 Euro
(includes: documentation, refreshments and lunch).
Last minute Registration: plus 30 Euro

Cancellations:

All cancellations must be sent in writing and addressed to the Secretariat.
No refund will be given after 31st August 2005.

Workshop Venue & Location:

The Workshop will be held at the "Convento dos Congregados", which is located in one of the main avenues of the city centre, "Avenida Central". Further information about Braga can be found at: www.portugal-info.net/costaverde/braga.htm

Travel to Braga:

By Air: Participants should take flights to Oporto Airport. Daily flights are available to and from most large European cities. All participants arriving or departing by air are advised to travel by taxi between the airport and Braga, as no regular direct coaches or trains are available. The taxi fare is around 60 Euro.

By Train: Participants entering Portugal from Spain should travel to Porto and take the connection Porto – Braga.

By Car: For participants travelling by car through Spain it is suggested to enter Portugal at Vilar-Formoso. Starting here, the IP5 dual carriage-way leads to Aveiro, but at Albergaria (176 Km) participants should enter the A1 motorway and go to north in the direction of Porto (58 Km), cross the city of Porto, using the Freixo bridge, without leaving the motorway and exit at the junction for the A3 motorway to Braga (49 Km).

Accommodation:

Braga has a large number of hotels and hostels. Reservation and payment should be made directly with the hotels. However, we recommend the following hotels (all of them are within walking distance of the Workshop Venue - 10/15 min. max):

One Day Meeting

TRENDS IN MYCOLOGY

23rd September 2005
Universidade do Minho
Braga, Portugal

Organised by

The Micoteca da Universidade do Minho (MUM) is a fungal culture collection hosted in the Biological Engineering Centre of the University of Minho. One of our aims is to give our post-graduate students exchange experience with other national and international groups. MUM believes in an open exchange of ideas and work.

Consequently, MUM has organised recently meetings, workshops and advanced courses in mycology. This year it is a great pleasure to announce a one-day meeting - Trends in Mycology. Additionally, we are pleased to have four keynote speakers who are international recognised authorities in fungal systematics and diversity.

Other participants are invited to submit papers to be presented during the meeting. The papers will be reviewed for poster or oral presentations. We have space for six papers to be presented as 15 min oral communications. The other papers will be displayed as posters. Peer-reviewed papers will be published in *Revista Iberoamericana de Micología* (www.reviberoammicol.com). Please follow the instructions to authors of this journal:

www.reviberoammicol.com/instruc/instructions.pdf

The contributions must be submitted via email to the Secretariat before 8th July and notifications of acceptance will be sent by 19th August 2005.

The MUM wishes to welcome you to our one-day meeting and we look forward to seeing you all in September.
